Human Trafficking and Modern Slavery Information Report and Guidance

The Information Report Form offers a multi-agency system of sharing information with Lincolnshire Police to help keep vulnerable adults and children safe. This form should be used to provide details of any concerns about individuals who you feel may be the victims of Human Trafficking or Modern Slavery.

Once completed please send this form via email to the USEC (Understanding and Safeguarding Emerging Communities) Modern Slavery Team at:

ModernSlavery@lincs.pnn.police.uk.

The information can include 'reasonable suspicions'; something that does not sit well with you or your co-workers but has nowhere else to go. Please ensure that the information is accurate, current and that it is factual, not opinion.

Ensure that full names and details of victims and where possible perpetrators are provided.

NEVER assume someone else has passed on the information you have. Duplicate information is better than none.

IN CASE OF EMERGENCY PLEASE DIAL 999.
